Delivery contents

- Stringed parasol, ready to use
- Protective sleeve with zipper and aluminium rod, also useful for protection during inclement weather
- Removable stainless steel crank (AISI 304, 1.4301) for FK or rope pull for FS
- Gloves, to protect the covering from getting soiled during unpacking-process
- Without installation options
- With instruction
- With strap
- Supplied in a sturdy cardboard sleeve

On windy locations (upwind, sloping site and so on) additional pedestal weight may be required.
